Wedding Packages for 2012 & 2013

I am pleased to offer a range of wedding photography packages which are flexible to satisfy your individual needs. Following our initial meeting, I will provide a specific quotation and contract based upon your exact requirements for your special day. I feel that tailoring the photography to your personal wishes is of the utmost importance. Elegant, contemporary albums, frames and canvasses can be brought to show you when we meet along with a sample disc / slideshow of creative wedding images.
