t 01752 894491 m 07886 871711 e tony@tonycoble.com

One to one project based sessions to help you achieve your own specific objectives. You choose the subject or task and we work through the techniques with hands-on practical learning at a location of your choice.

Areas covered include:

- Landscape
- Studio portraits
- Location portraits
- Still life

Skills covered include:

- Types of Camera & Lens
- Creative Composition
- Seeing / visualising the shot
- Exposure
- Understanding Light and colour
- Processing, scanning or downloading
- Photoshop skills / digital imaging
- Printing
- Presentation / mounting
- Critical evaluation
- Anything else you'd like to cover!

You choose the learning objectives and we move at the pace which suits you. Tuition can be at your home or locally in the field / location, wherever you want to go photographing!

- Available as gift Tokens!
- Groups also welcome.
